

2012 HOUSEHOLD HAZARDOUS WASTE (HHW) DAY

Household hazardous wastes are products that can cause injury or are harmful if not properly stored and disposed of. These chemicals pose a threat to people (particularly children, refuse workers, and firemen), pets, and our environment.

In response to the need for households to dispose of potentially hazardous waste in a safe and convenient manner, **Johns Manville, LaFarge Corporation of Paulding, Environmental Recycling Group (ERG) of Bowling Green, Scrap Metal for Kids, the Defiance College Baseball Team, Joint Solid Waste Management District of Defiance, Fulton, Paulding and Williams Counties, and the Defiance County Environmental and Administrative Services** are sponsoring a collection drive on Saturday October 13th, 2012, between 10:00 AM and 2 PM.
