

APPENDIX P DESIGNATION

A. Statement Authorizing/Precluding Designation

The Board of Directors is authorized under division E (2)(b) of section 3734.53 of the Revised Code to be included in the initial solid waste management plan of the district approved under section 3734.55 of the Revised Code. The provision required under division E (1) of section 3734.53 of the Revised Code to be included in the initial or amended solid waste management plan of the District approved under section 3734.521 or 3634.56 of the Revised Code, or an amendment to the plan or amended plan adopted and ratified under division (F) of section 3734.56 of the Revised Code, **explicitly authorizes the Board of Directors of the Joint Solid Waste Management District of Defiance, Fulton, Paulding, and Williams Counties to designate solid waste facilities and recycling activities pursuant to this section.**

The Board of Directors of the District at any time after the approval of the initial or amended plan or the amendment to the plan and in accordance with his section may designate solid waste disposal, transfer or resource recovery facilities or recycling activities that are owned by persons, or that are owned by a municipal corporation, county, county or joint solid waste management district, township or township waste disposal district created under section 505.28 of the Revised Code for which no debt has been issued or is outstanding under Chapters 133.343 or 6123 of the Revised Code where solid wastes generated within or transported into the district shall be taken for disposal, transfer, resource recovery or recycling.

The Board of Directors may modify or add to the list the designated transfer, disposal, recycling or resource recovery facilities authorized to receive solid waste generated within the District and may adopt local District rules for administration and enforcement of such designations.

Waiver Process: Any person may request the Board of Directors grant a waiver authorizing the delivery of solid waste generated within the District to a solid waste facility other than a facility that has been designated by the District. The waiver request must be submitted to the Board of Directors in writing and shall state the type, amount and origin of material the facility needs to be used, the intended duration of the waiver and the reason requesting the waiver.

The District staff will review the request and may ask for additional information if necessary. The Board of Directors shall act on the request for waiver within 90 days after receiving the request. The Board of Directors may grant the request for a waiver if the following has been determined:

1. Issuance of the waiver is not inconsistent with the projections contained in the Districts approved plan under ORC section 3434.53 (A)(6) and (A)(7); and
2. Issuance of the waiver will not adversely affect implementation and financing of the District's approved plan.

B. Designated Facilities

Table P-1 Designated Facilities

Facility Name	County	State	Facility Type	Year Designated
American Landfill Inc.	Stark	Ohio	Landfill	2019
Celina Sanitary Landfill	Mercer	Ohio	Landfill	2019
Cherokee Run Landfill	Logan	Ohio	Landfill	2019
County Environmental Landfill of Wyandot	Wyandot	Ohio	Landfill	2019
Crawford County Landfill	Crawford	Ohio	Landfill	2020
Defiance County Landfill	Defiance	Ohio	Landfill	2019
Evergreen Recycling & Disposal	Wood	Ohio	Landfill	2019
Hancock County Sanitary Landfill	Hancock	Ohio	Landfill	2019
National Serv All	Allen	Indiana	Landfill	2019
Noble Road Landfill	Richland	Ohio	Landfill	2019
Pine Grove Sanitary Landfill	Fairfield	Ohio	Landfill	2019
Stony Hollow Landfill	Montgomery	Ohio	Landfill	2019
Sunny Farms Landfill	Seneca & Wood	Ohio	Landfill	2019
Vienna Junction Landfill	Lucas	Ohio	Landfill	2019
Williams County Landfill	Williams	Ohio	Landfill	2019

Shelby County Transfer Facility	Shelby	Ohio	Transfer Station	2019
Waste Management of Ohio - Lima TS	Allen	Ohio	Transfer Station	2019
Youngs Waste Service	VanWert	Ohio	Transfer Station	2019

In the last plan update, the designations expired in 2019. The Board of Directors followed the Designating Solid Waste Facilities process as outlined in ORC 343.14 to obtain new signed agreements. To deter this lengthy process every 5-year plan update, the Board of Directors extended the termination date from five years to every fifteen years. The next renewal will be on December 31, 2034. Those facilities that were designated after the 2019 renewal will also expire on the same date: December 31, 2034.
