Testimony:

The current owner, Patrick Fronk, grew up on this place. His parents bought the property in the early 1950's from their uncle. A couple of years later, aquired the parcel to the south & west of the house parcel. In the mid 50's built a garage and couple of years later built a small barn and built a fence encompassing the property they believe they owned. The property has remained in this state since the mid 1950's. No disputes or disagreements about the location of the boundary lines have ever occurred.
