

# Adopt-A-Highway

Defiance County Environmental Services began an Adopt-A-Highway (AAH) program in the early 1990's in response to growing public concern about litter along our local roads. The program was established with a litter grant from the Department of Natural Resources and has continued with support from the Keep America Beautiful™ program. Keep Defiance County Beautiful is a registered affiliate of KAB.

To become a part of the AAH program: a contract is signed by the roadway adoptee, agreeing to the terms and conditions including the amount of miles adopted, commitment to pick the road up at a minimum of four (4) times per year and to schedule a cleanup during the Great American Cleanup™ events. A sign with the group's name/organization is installed at the beginning and the end of the miles adopted at no charge. Litter supplies such as gloves, grabbers, garbage bags may be available.

If you are interested in adopting a road, please call **419-782-5442** for more information.
